

Purchase

Microsoft Office Ultimate 2007

for only \$59.95

This software normally costs \$679.00 so this is a great deal for students!

What's Included: 2007 version of Access, Accounting Express, Excel, Groove, InfoPath, OneNote, Outlook, PowerPoint, Publisher and Word

To Be Eligible: You must have a valid email address from a US education institution. You must be actively enrolled with at least 0.5 course load and be able to provide proof of enrollment status upon request by Microsoft. If you are unable to provide proof of enrollment, you will be required to pay the full retail price (approx \$679).

To take advantage of this great deal, go to: <http://www.theultimatesteal.com>

- First, place the order with your credit card. Use your SCC student email account: YourMySCCusername@mymail.scc-fl.edu
- Second, you will need to download the software (a single executable file).
- Third, install the software. You will need a Product Key.
 - The Product Key will be emailed to you via your email address.
 - If you used your SCC email address, please visit <http://mymail.scc-fl.edu>
 - If you do not receive the email, go to the Customer Support Site below to retrieve your order/Product Key:
